

## Disclaimer

Alliance Equities is an international brokerage company running operations across most of the South Asian countries including China, Singapore, Malaysia, Thailand, Indonesia, Vietnam and others.

**Risk Warning:** Trading Foreign Exchange, CFD, and Equities on margin carries a high level of risk and may not be suitable for all investors. You are advised to carefully consider your investment objectives, level of experience and risk of appetite before deciding to trade. It is possible to sustain a loss of some or all of your investment, therefore you should not invest money that you cannot afford to lose. We advise that you seek professional advice from an independent financial advisor before investing if you have any doubts.

**General Advice:** All information in this website is of general advice only. You are strongly advised to obtain independent financial, legal and tax advice before proceeding with any currency or spot metals trade. Nothing in this site should be read or construed as constituting advice on the part of Alliance Equities or any of its affiliates, directors, officers or employees.
